Meeting salary and skill thresholds

Visa extensions and settlement

## 2. Family Visas & Spouse Visas

Reuniting families in the UK requires precise documentation. Services include:

Spouse Visa applications (meeting financial and relationship evidence)

Parent & Child Dependant Visas

Extension and ILR applications

## 3. Student Visas & Graduate Route

International students need proper legal guidance for:

Student Visa applications (Tier 4 & Student Route)

Switching to work visas (Graduate Route)

Dependant visas for family members

## 4. Indefinite Leave to Remain (ILR) & British Citizenship

Achieving permanent residency or citizenship involves strict eligibility criteria. A UK immigration solicitor helps with:

ILR applications (5-year residency or 10-year routes)

Naturalization and British Citizenship applications

Avoiding common refusal reasons

## 5. Asylum & Human Rights Applications

For those fleeing persecution, a **UK immigration solicitor** provides support in:

Asylum claims and appeals

Human Rights applications (Article 8 claims)

Challenging deportation orders

## 6. Business & Investor Visas

Entrepreneurs and investors can secure UK entry through:

Start-Up and Innovator Visas

Global Talent Visa applications

Investor Visa (Tier 1) routes

## Common UK Immigration Challenges & How a Solicitor Helps

Many applications face refusals due to:

Incorrect documentation

Failure to meet financial requirements

Previous immigration breaches

A UK immigration solicitor mitigates risks by ensuring strong case preparation and legal representation.

## How to Select the Right UK Immigration Solicitor

When choosing a solicitor, consider:

SRA (Solicitors Regulation Authority) accreditation

Proven success in similar cases

Transparent communication and client reviews
