

Hunter Wide Building – Premier Builders in Newcastle for Homes, Renovations, and Granny Flats

[Hunter Wide Building](#) is a premier construction company based in Newcastle, NSW, with over 30 years of experience providing high-quality building services across residential and commercial properties. Known for professionalism, reliability, and craftsmanship, Hunter Wide Building has earned a reputation as one of the most trusted builders in Newcastle. We specialize in new home construction, renovations, granny flats, home extensions, decking, kitchens, bathrooms, and expert carpentry services, offering complete solutions to bring your vision to life.

Comprehensive Building Services

New Home Construction

Hunter Wide Building provides complete new home construction services, guiding clients through every step, from initial consultation and architectural design to council approvals and final construction. We understand that a home is more than just a structure—it's a place for memories, comfort, and personal expression. Our team works closely with clients to design homes that maximize space, natural light, and functionality while reflecting modern aesthetics and energy-efficient solutions. Each new home is tailored to suit lifestyle requirements, ensuring optimal comfort, usability, and durability.

Granny Flats

As experienced granny flat builders in Newcastle, Hunter Wide Building designs and constructs fully self-contained, modern, and practical granny flats. These versatile spaces provide independent living for elderly family members, private accommodation for guests, or additional rental income for investors. Our granny flats are designed with open-plan living areas, contemporary kitchens, comfortable bedrooms, built-in storage, and outdoor decks or patios, delivering functional, stylish, and compliant solutions. We focus on maximizing livable space while seamlessly integrating the granny flat into your property, ensuring it complements the existing design and adds long-term value.

Renovations

Hunter Wide Building specializes in complete renovation solutions that breathe new life

into homes and commercial properties. Renovations may include kitchen or bathroom remodeling, structural modifications, interior and exterior upgrades, and modern design enhancements. Our approach combines creativity with precision, transforming outdated or underutilized spaces into contemporary, functional, and aesthetically appealing environments. Each renovation is executed to the highest standards of quality and durability, ensuring your property remains both beautiful and practical for years to come.

Decking and Extensions

Our custom decking and home extension services allow clients to enhance their living areas and maximize outdoor spaces. Whether it's a deck for entertaining, an additional room for family use, or storage extensions, Hunter Wide Building ensures high-quality construction that integrates seamlessly with the existing property. Every project is planned to meet client needs while elevating the overall design, functionality, and aesthetic appeal of the home.

Kitchens and Bathrooms

Kitchens and bathrooms are essential elements that combine style and practicality. Hunter Wide Building delivers custom-designed spaces that are functional, visually appealing, and built to last. From layout planning and material selection to expert installation, we focus on every detail, ensuring a modern, high-quality finish that enhances the property's overall value and usability.

Carpentry and Framework

The foundation of any great project is skilled craftsmanship, and Hunter Wide Building provides expert carpentry and framework services. Our team handles structural frameworks, custom joinery, and finishing touches with meticulous attention to detail, ensuring structural integrity and aesthetic excellence in every project.
