

# **Stainless Steel Sheet & Fasteners Manufacturers**

Ganpat Industrial Corporation are international leader, **Stainless Steel Sheet Manufacturers**, providing custom and commercial width strips, bars, and plates. The company supplies to various different industries and is in a position to satisfy any type of need and quantity. We employ the best machinery, particularly its cutting and polishing machinery, when producing its stainless steel sheets so that it can supply products in custom and non-standard sizes. We offer a wide range of metal grades and thicknesses of stainless steel sheets, including popular options such as 304 and 316.

## Stainless Steel Sheet Specification

Sheet Thk : 0.02 to 4.0 mm

Plate Thk : 4.5 to 100 mm

Width: 900 to 2400 mm

Length: 3000 to 12000 mm

Finish: Mirror, Brushed, Sandblasted

ASTM A240 | ASME SA 240

We are specialised in manufacturing of fasteners, bolts, stud bolts, nuts, washers, anchor bolts. Our high-quality fasteners are made from only high-quality raw materials. We ensure that every fastener and machined component meets or exceeds industry requirements. Ganpat Industrial Corporation are leading **Fasteners Manufacturers in India**, known for its high tensile bolts & nuts and stainless steel grades. Our fasteners have been used in various applications like chemical, power and energy, oil and gas, marine industries, etc.

### Manufacturing Process

- Heat treatment
- Threading
- Cutting
- Chamfering
- Stamping
- PTFE coating
