Brian & Lynn Martin

Owner

Brian and Lynn Martin both have over 20 years of experience in Corporate America, working in operations and customer support roles. The skills learned in previous positions have translated perfectly into our Bio-One franchise, allowing us to provide the customers with the discretion and caring that are often needed during their difficult times. We left the corporate world to concentrate on helping folks in our local community deal with very personal issues. Our passion is helping our clients in any way that we can, turning trying and emotional situations around quickly, quietly, and compassionately.
