

## Get The Five Star Experience, Without The Price

Have you ever signed a contract with someone only to find out that when the job was done it wasn't to your satisfaction? The workmanship was shoddy, they didn't quite finish the job, you couldn't reach them by phone and it cost you more than you expected. Did you know that the Better Business Bureau says "70% of all contractors fail to satisfy".

### **Experienced Team**

At Five Star Bath Solutions, to make sure we give you the best service and experience possible. We only hire professional factory trained technicians that have been screened and trained to work on your home.

This ensures that you will be happy and worry free during the whole process.

All of our installers must pass our thorough training program and obtain multiple certifications.

If they can't do this, we don't send them out. You can rest assured that these are the

same installers and technicians that will be called out to your home if you happen to have a problem or request.

All consultants and installers also go through an extensive installation process to make sure everything is done correctly the first time. From the free in-home consultation, to the actual install, everything is done to ensure you are satisfied with your new bathroom

## **Our Estimators**

Our estimators are particularly qualified, and have the wide range of tools and knowledge to assist you finding a solution for your bathroom. They bring predesigned solutions to provide the customer with a number of

alternatives. Unlike some of our competitors, we help you with your decision without any pressure to make an immediate decision.

When we visit you, our estimator will have our electronic Bath Remodeling catalog for you to browse through to help decide on the exact bathroom fixtures and necessities that will fit your personal taste and budget.

### **Our Installers**

When you have made your final decision and set a time for us to begin working, we will send an installation team who is experienced and understands the importance of doing the job right the first time. Our local installers are experienced and trained to follow the specific installation instructions for each manufacturer.

Experience for yourself the improvement and beauty Five Star Bath Solutions can bring to your bathroom and your life. We will work with you to agree on the right price and the right time to see your dream bathroom renovations or bathroom remodeling become a reality.
