Millions of underprivileged children, women, and families still struggle to access basic necessities and opportunities. [Youth Helping Trust – NGO for Education, Health, and Social Welfare](#) and become a part of a meaningful movement that works tirelessly to uplift marginalized communities and create sustainable social change.

Joining hands with a trusted NGO is not just about helping others—it is about building a better and more equitable future for all.

About Youth Helping Trust

Youth Helping Trust is a nationally recognized nonprofit NGO based in Delhi, dedicated to improving lives through education, healthcare, women empowerment, skill development, and social welfare initiatives. With over 100 active projects across urban slums and rural areas, the organization focuses on long-term impact and grassroots development.

The NGO actively supports national missions such as Swachh Bharat Abhiyan and Beti Bachao Beti Padhao. Learn more about **top NGO for social welfare in India** that is driving real change at the community level.

Education for Underprivileged Children and Youth

Education is the strongest tool to break the cycle of poverty. Unfortunately, many children are forced to drop out of school due to financial constraints, lack of awareness, or family responsibilities. Youth Helping Trust works to ensure equal access to quality education for every child.

Key education initiatives include:

- Free education programs in slum areas
- School enrollment and retention support
- Distribution of books, uniforms, and study materials
- Academic mentoring and awareness campaigns

Healthcare and Nutrition for a Healthier Society

Good health is essential for learning, productivity, and overall well-being. Many underprivileged families lack access to basic medical facilities and nutrition. Youth Helping Trust addresses these challenges through preventive and supportive healthcare programs.

Healthcare initiatives include:

- Free health check-up and medical camps
- Nutrition and food distribution drives
- Health awareness and hygiene programs
- Support for children and women facing medical issues

Support meaningful **NGO for health and nutrition programs in India** that focus on building healthier communities.

Social Welfare and Community Development

Social welfare goes beyond education and health—it includes dignity, safety, and equal opportunities. Youth Helping Trust works at the grassroots level to support families facing poverty, unemployment, and social exclusion.

The NGO runs:

- Women empowerment and education programs
- Vocational training and livelihood initiatives
- Disaster relief and community support activities
- Environmental awareness and sustainability programs
