

MedCline Pregnancy Body Pillow

The all-in-one U-shaped maternity pillow that hugs your body from all sides delivering full 360° support to your bump, back, hips, and knees.

Made with **GAMMA**

WHY IT MATTERS

Safe Side Sleeping, All Night Long

OB/GYNs recommend left-side sleeping during pregnancy to improve circulation and deliver more nutrients to your baby.

The U-shape design of **pregnancy body pillows** naturally cradles your bump, back, and hips, helping prevent rolling onto your back or stomach during the night.

FEATURES

Benefits & Features

360° U-Shaped Support

Wraps around your entire body – bump, back, hips, and knees.

Machine-Washable Cover

Removable cover keeps your pillow fresh and clean with ease.

Customizable Fill

Shredded CertiPUR-US® memory foam you can add or remove for perfect firmness.

Versatile Postpartum Use

Transitions seamlessly into a nursing aid or recovery pillow after delivery.

HOW IT WORKS

Comfort That Grows With You

01

Relieves Pressure Points

Cushions both sides of your body, supporting your back while resting between your knees for all-night alignment.

03

Beyond Pregnancy

Use for lounging, nursing, or postpartum recovery a pillow that keeps giving.

02

Adapts Each Trimester

Adjustable memory foam fill customizes support as your bump grows and your comfort needs change.

What Customers Are Saying

“

Amy R. ★★★★★

"I LOVE this one so much more! It's firm, but comfortable and super comfy. I am not pregnant, just nursing a hip issue and the support is great!"

”

“

Steph R. ★★★★★

"I kept saying 'I wish the J was a U!' Lo and behold they added a pregnancy pillow. My husband snatched the discarded body pillow. Now we both use MedCline!"

”

“

Robin B. ★★★★★

"I'm 74 and not pregnant but it is perfect in supporting my back, neck, and legs. The materials, interior and exterior, are superb."

”

Frequently Asked Questions

When should I start using it?

Many moms begin around **20 weeks**, but you can start earlier if experiencing discomfort.

Can I adjust the firmness?

Yes , add or remove the adjustable memory foam fill to create your perfect support level.

Is the cover washable?

Absolutely. Removable and **machine washable** for easy care.

Can I use it after pregnancy?

Yes! It transitions into a nursing, recovery, or everyday lounging pillow.
