A worked example: You book a 13 seater AC Tempo Traveller for a 300 km trip. The package is ₹7,500, plus a ₹700 permit charge, so your base is ₹8,200. Then add toll, parking and driver food. This is why we suggest asking for the total, not just the per km rate.

What's Included in the Price and What's Not

Included: vehicle, driver and the km in your package.

Charged extra:

- Toll (deducted through FASTag and paid by you)
- Parking fees
- Driver food
- Border tax outside Maharashtra
- Permit charge, shown on our [rate chart](#)
- GST and passenger tax where applicable
- Extra hours, at ₹400 per hour
- Travel after midnight, at ₹400 per hour until 2 AM

Timings: Our standard service runs from 6 AM to 12 midnight.

Before booking anywhere, ask four questions: What is the minimum km per day? What is the permit charge? Who pays toll and parking? What's the cancellation fee? Clear answers mean no unpleasant bill at the end.

Which Tempo Traveller Seater Should You Choose?

Don't pick only by headcount. Luggage and comfort matter just as much.

- **13 seater**: Good for 8 to 11 people with bags and our most booked option for family trips.
- **17 seater**: Suits 12 to 15 people, like three or four families together.
- **20 seater**: Works well for office outings and religious tours.
- **24 to 26 seater**: Best for big groups, school trips and wedding guests.
- **Tata Winger**: A simple, reliable choice for small groups.
- **Force Urbania**: A more premium ride for executives and families.
- **Bigger than 26?** Our [mini bus on rent in Pune](#) covers larger groups.

A tip from experience: If your group matches the seat count exactly, go one size up. Bags take space, and a packed vehicle on a 5 hour drive is no fun.

AC or Non-AC?

Pick **AC** for long trips, summer travel and ghat roads. Pick **Non-AC** for short local trips where you want to save money. On a 300 km package, AC costs ₹900 more for a 13 seater.

Tempo Traveller for Diwali 2026 in Pune

Diwali is the one time of year when everyone wants to be with family, and everyone wants to travel on the same few days. Trains fill up, buses sell out, and the Mumbai-Pune and Shirdi routes get crowded. A Tempo Traveller lets your whole group go together, leave when you want and skip the station rush.

Quick answer: For Diwali 2026, book your Tempo Traveller in Pune at least **10 to 15 days ahead** (by around 25 October). The festival runs from **6 to 10 November 2026**, and vehicles for the Dhanteras weekend and Bhai Dooj usually go first.

Diwali 2026 Dates to Plan Around

Day	Festival	Date
Day 1	Dhanteras	Friday, 6 November 2026
Day 2	Naraka Chaturdashi (Choti Diwali)	Saturday, 7 November 2026
Day 3	Lakshmi Puja (main Diwali)	Sunday, 8 November 2026
Day 4	Govardhan Puja	Monday, 9 November 2026
Day 5	Bhai Dooj	Tuesday, 10 November 2026

In Maharashtra the celebrations also begin a day earlier with Vasu Baras. Exact dates and puja timings can vary slightly, so confirm with your local panchang.

The busiest travel days are usually the Thursday and Friday before Dhanteras, the evening of Bhai Dooj, and the days after, when everyone returns. Book the vehicle for the whole window, not just one direction.

Frequently Asked Questions

What is the Tempo Traveller price per km in Pune?

Tempo Traveller rent in Pune starts from ₹22 per km for a 13 seater Non-AC and ₹25 per km for a 13 seater AC. The rate goes up with the vehicle size: ₹23 and ₹26 for a 17 seater, ₹25 and ₹29 for a 20 seater, and up to ₹31 (Non-AC) and ₹37 (AC) for a 26 seater. Premium options cost more, such as the 13 seater Force Urbania at ₹32 per km. The per km rate applies to outstation trips on a 300 km per day package, so always check the package total, not just the rate. You can compare every vehicle on our [per km rate list](#). For a 9 or 12 seater, call us for a quote.

What is the Tempo Traveller rent per day in Pune?

It depends on whether your trip is local or outstation. For local use in Pune, the 8 hour, 80 km package starts at ₹4,500 for a 13 seater Non-AC and ₹5,500 for a 13 seater AC. For outstation trips, a day is charged on a 300 km package, starting at ₹6,600 (Non-AC) and ₹7,500 (AC). If you go beyond the package, extra hours are charged at ₹400 per hour for most Tempo Travellers. Remember to add the permit charge (₹700 for a 13 seater) plus toll, parking and driver food. See the full [Tempo Traveller rental rates in Pune](#).

Does the rent include toll, parking and driver food?

No. The package price covers the vehicle, the driver and the agreed kilometres. These are paid separately by the customer:

- **Toll**, deducted through FASTag and added to your bill
- **Parking fees** at hotels, temples and tourist spots
- **Driver food**
- **Permit charge**, for example ₹700 for a 13 seater and ₹800 for a 17 seater on our chart
- **Border tax** for trips outside Maharashtra
- **GST and passenger tax**, where applicable

A good habit is to ask for an estimated total before you pay the advance. As a rough example, a 300 km trip in a 13 seater AC is ₹7,500 plus ₹700 permit, so ₹8,200 before toll, parking and food.

How many people can sit in a 13 seater Tempo Traveller?

A 13 seater carries 13 passengers plus the driver. In real life, 10 to 11 people is the comfortable number once you add bags, especially on trips longer than 3 hours. If your group is 12 or 13 people, or you're carrying a lot of luggage, a 17 seater is a better choice and not much more expensive (₹7,800 against ₹7,500 for the 300 km AC package). See our [13 seater](#) and [17 seater](#) pages for more detail.

What is the fare for Mumbai and Mahabaleshwar?

Both routes have a fixed package for trips up to 350 km:

Vehicle	Non-AC	AC
13 seater	₹8,500	₹10,000
17 seater	₹9,000	₹10,500
20 seater	₹10,500	₹12,500
26 seater	₹13,000	₹15,000

These are base fares. Toll, parking, driver food and the permit charge are extra. If your trip goes beyond 350 km or past midnight, additional charges apply. For route tips, see [Pune to Mahabaleshwar bus hire](#).

Can I book a Tempo Traveller on the same day in Pune?

Sometimes, depending on what's available that day. Last-minute bookings are easier on weekdays and much harder on weekends, festivals and long holidays. If you need a vehicle urgently, call or WhatsApp **+91 97645 64699** as early in the day as possible, and share your pickup point, destination, group size and return time. For planned trips, we always suggest booking at least a few days ahead so you get the seater and AC option you want.

Is a Tempo Traveller available for Pune Airport pickup?

Yes, subject to availability. It's a practical choice for families and groups landing together with luggage. When you call, share:

- Flight number and arrival or departure time
- Number of passengers and bags
- Drop-off address in Pune or beyond

A 13 or 17 seater usually handles a group with luggage comfortably. If your flight is delayed, tell us as early as you can. See our page on [Tempo Traveller on rent near Pune Airport](#).

How early should I book a Tempo Traveller in Pune for Diwali?

Ideally **10 to 15 days ahead**, which for Diwali 2026 means around 25 October. For the Dhanteras weekend and Bhai Dooj, book even earlier, since these are the most requested dates. Booking early gets you the seater you want, an AC vehicle for long routes, and time to plan the return trip. Your booking is confirmed once you pay the 50% advance, so have your dates, pickup points and passenger count ready when you call.

Are Tempo Traveller rates higher during Diwali?

Availability is tighter on peak festival dates, so fares may be quoted for your exact date and route. The best way to avoid surprises is to check our standard [Tempo Traveller fare chart](#) first,

then call **+91 97645 64699** and ask for a written quote. Always check what's included: package km, permit charge, toll, parking, driver food and extra hour charges. Booking early also gives you more choice.

Which Tempo Traveller is best for a Diwali family trip?

For most families, a **13 or 17 seater** is the right fit:

- **13 seater:** Best for 8 to 11 people with bags
- **17 seater:** Best for 12 to 15 people, or when several families travel together
- **AC:** Choose it for long routes like Shirdi or Goa
- **Non-AC:** Fine for short local trips and fits a tighter budget

Go one size up if you're carrying gifts, sweets and extra bags, which almost every Diwali trip involves. If senior citizens are travelling, consider a Force Urbania for a more comfortable ride, and ask the team about seat options when you call.

Can I book a Tempo Traveller for a Diwali trip to Shirdi from Pune?

Yes. Shirdi is about 185 km from Pune and takes roughly 4.5 to 5 hours each way. During Diwali, temple queues and highway traffic are heavier than usual, so a few things help:

- Leave early, ideally by 5 or 6 AM
- Plan darshan timing so you don't get stuck in peak crowds
- Fix the return time at booking, not on the day
- Keep toll and parking money ready

Fares for Shirdi are quoted on call based on your dates and trip length. See our [Pune to Shirdi bus hire](#) page for more.

What are the best places near Pune to visit during Diwali?

The weather after the monsoon is pleasant, so many places work well:

- **Shirdi:** A popular pilgrimage trip, best done in 1 or 2 days
- **Mahabaleshwar and Lonavala:** Hill stations with cool weather and good views
- **Ashtavinayak temples:** See our [Ashtavinayak Darshan package](#)
- **Dapoli, Ganpatipule and Ratnagiri:** Konkan beaches, a good fit for 2 to 3 day trips. See [Dapoli](#) and [Ganpatipule](#)
- **Goa:** For a longer Diwali break. See our [Goa packages](#)

Tell us the number of days and your group size, and we'll suggest a vehicle that suits the route.

Can companies book a Tempo Traveller for Diwali celebrations?

Yes. Many offices book vehicles for Diwali parties, team lunches, gift distribution events and staff pickup and drop. We cover Pune and PCMC, including Hinjewadi, Kharadi, Wakad and Hadapsar. For a corporate booking, share the number of employees, pickup points and timings, the event venue and the return schedule. We can then recommend the right number of vehicles. See our [corporate bus rental in Pune](#) page.
